Lost

29 4 5

Chapter 1 by John Maguire

I was lost. Not truly lost. Just lost. I was not lost at sea. I was not lost in the mountains. I was not lost in the desert. I was not lost in the forest. I was just lost. Where am I? Where do I go from here? It's hard to know when yo are just... lost!

Chapter 2 by ChocoPudding

I am lost in my mind. Drifting through thoughts. I am lost in my mind. Waves of ideas, look like an eternity. Tsunamis of facts, echoes through my ears. The taste of reality, burns my tongue. And it all comes down to one word: *lost*.

Chapter 3 by RED

I'm not sure when I first became lost, but at some point, the complexities of life just swept me away. The uncertainty is overwhelming but I am not entirely sure that I want to be found.

Every now and then, as I attempt to navigate the churning waters of my mind, I see glimpses of land. But, I know that the land represents reality and the problems that drove me inwards in the first place. The problems caused by *her*.
